## EnLighten

Integrated semester books

- ✓ EnLighten is a series of integrated semester books for classes 1–5.
- ✓ The series promotes holistic learning with a child-friendly approach, coupled with a clear focus on the outcomes set down by the NCERT.
- ✓ EnLighten covers:  
Classes 1 and 2—English integrated with Environmental Studies, and Mathematics  
Classes 3, 4 and 5—English, Mathematics and Environmental Studies
- ✓ The accompanying workbooks for classes 1–5 consolidate the understanding of the concepts and enable recall through practice.
- ✓ Lesson-mapped digital resources support enhanced learning.
