

Worksheet 1

**Writing**

**Read the story and number the boxes according to the sequence of events.**

1. This was just when I decided to go into the kitchen to grab a quick snack.
2. After the walking went on for about five minutes, I tiptoed to my sister's room and told her we had a dangerous visitor.
3. At first I assumed it was my dad but his heavy snoring as I walked past his room, confirmed that it was someone else.
4. It all began at about one o'clock – I heard a slow, rhythmic walking around the dining table.
5. But suddenly, even before us reaching the dreaded place, the sound of footsteps ceased.
6. Armed with whatever we could lay our hands on, we quietly walked towards the dining room.
7. Next, I suspected that it was a thief but wondered why he was walking round and round at a steady pace.
8. I thought I was the only one awake at this unearthly hour, but here was company!
